Dated: 23.10.2021

CIRCULAR

Sub:- Directorate of Admissions - Online Registration facility for students who have completed B.Voc Applied Microbiology and Forensic Science to register for M.Sc Microbiology programme - Complying with the Judgement of the Hon. High Court - Reg.

Ref :- Interim Order of the Hon. High Court dated 13.10.2021 w.r.to Writ Petition (C) No.21628 of 2021.

The Hon. High Court, vide reference cited above, has directed to provisionally permit the petitioners (who have completed B.Voc Applied Microbiology and Forensic Science) to apply for the Post Graduate programme in M.Sc Microbiology, subject to the condition that the petitioners shall not claim any equities merely on the ground of the above interim order and that admission, if any, granted to the petitioners will be subject to the final decision of the writ petition.

Hence, Online Registration facility is now made available for students who have completed B.Voc Applied Microbiology and Forensic Science to register for M.Sc Microbiology programme under PGCAP 2021.
