

UNIVERSITY OF CALICUT
(DIRECTORATE OF ADMISSIONS)

CUCAT - 2022
(CALICUT UNIVERSITY COMMON ADMISSION TEST)
PROSPECTUS

PREFACE

The University of Calicut is the largest University in Kerala established in the year 1968 and one among the largest in the country in terms of student intake and the number of affiliated institutions. The jurisdiction of the University spans across five districts of Kerala, viz., Kozhikode, Malappuram, Wayanad, Palakkad and Thrissur. The main campus of the university is located at Tenhipalam in Malappuram District. The university also has two off-campus centres, one at Thrissur District and the other at Wayanad district, specially meant for tribal empowerment. The University to a large extent has succeeded in realizing the objective of making college education accessible to millions of young men and women of northern Kerala.

The University of Calicut is currently accredited by NAAC (Cycle-3) at "A Grade" with a CGPA of 3.13 on a 7 point scale during 2016. The NAAC team for the fourth cycle of accreditation will be visiting the University shortly. A concerted effort is being made by the University community to improve our ranking considerably. We have been honoured with 95th place among Higher Education Institutions and 60th place among Universities by National Institutional Ranking Framework (NIRF) 2021. The University is placed in 158th position among the universities in the BRICS countries & 39th among Indian Universities. Further, the University has bagged 45th position in the QS India Ranking in 2020. The Central Campus is housing 35 teaching departments offering PG programmes, 395 affiliated colleges and a total student population exceeding 3.5 lakhs.

The educational system in Kerala has undergone significant transformation over the decades. As an institution catering to the higher education requirements of rural populations, the last three years were particularly challenging because of the havoc wrought by the pandemic. But to the credit of the university and its stakeholders, the institution was able to swiftly switch onto the online platform and produce an archive of digital resources that would stand us in good stead in times to come.

University of Calicut conducts CUCAT 2022 (Calicut University Common Admission Test), which covers separate entrance tests for 50 various programmes offered in different University Teaching Departments/ University Centres/ Affiliated colleges and admits around 2000 students.

7. Integrated programmes :

The Integrated programme offers better scope for interdisciplinary approaches and emphasis on research. Also this programme will be an avenue for those students focused on a specific area for their research. With a more enriched curriculum and an amalgamation of topics crossing the boundaries of disciplines, the students are expected to acquire a higher level of knowledge in their field of study. The research experience gained during the course of the programme is expected to nurture the scientific inquisitiveness and will pave way for them to become excellent future scientists or educators of high caliber.

Duration of the Programme :

The Integrated programme is a five-year (10 semester) programme. Students who successfully complete all ten semesters will be awarded Integrated M.Sc. Bioscience, Physics, Chemistry or Development Studies, as the case may be.

Exit Provision :

The Integrated M.Sc Physics, Integrated M.Sc Chemistry and Integrated M.A Development Studies offers a provision for the students to leave the programme after successful completion of six semesters, with B.Sc degree in Physics or Chemistry and B.A in Development Studies. However, the objective of the programme envisions the completion of the entire programme by each student

admitted. However, there is no exit option in the case of Integrated M.Sc Bioscience programme.

8. Procedure of application :

8.1. Applications can be submitted online till 26.04.2022. Candidates shall visit the University admission website <https://admission.uoc.ac.in/> and access the Registration Link provided in the web page and complete the registration in the following three steps. If a candidate submits more than one application, his/her candidature is liable to be cancelled.
